Dear Karen,
Well, we'll always
be friends, but I'm
still mad at you for
calling some of those evenings -
Really though, I hope you have
all the luck in the world,
and I hope I see you this
summer. By next year you'll
probably be part-owner of
that dime-store. Make
your senior one big-ball,
and keep everybody in line
in the study halls.
Loads of Luck

P.S. You know Grace's
friend

Dear Karen,
For you, even
the best is not
good enough. I
hope we'll always
be good friends and
I sincerely want to
wish you every
single happiness and
good fortune. I'll never
forget our fun at
Trees for Tomorrow.
Lets keep in touch O.K.?
May God bless you +
keep you as you are.
Love
Bonnie

Karen,
I haven't known
you very long, but I
still feel I have made
another friend. I wish
you the best of everything.

To a nice girl who I do not know very well but good luck in years to come

Skip

Karen, what with the many talks we've had I'm sure that you know how I feel about you so I'll just say that I think you're one of the greatest. Thanks loads for all the help you've given me and good luck in everything you attempt.

"May God Bless you"

Judy Gidmin

Hi Karen,

It was real nice knowing you and I hope our friendship will grow even more next yr. Remember that ride you promised me! Have fun this summer.

Pat Leaning

Hi Karen,

Gosh, just think next year we'll be big (and I mean big) seniors. Its be alot of fun getting to know you and I'll be seeing you next year.

Good luck,

Joanie Barwind

Hi,

Best of luck always and keep up the good work in English as you have been doing. Have a nice summer and be easy on the guys.

Bonnie Bristol

Karen,

Good Luck & Best Wishes. Thanks for all of all of your help in Toppers.

Dick Bielenberg

Dear Karen,

I like to write about memories that we've had together but it seems that we haven't had any and that seems awfully strange cuz you are such a wonderful girl. Really, let's make sure that we do have some next year okay! That's a two way proposition!!

Lots of luck & love,

Arlene Hagen

Boo! a sharp contrast to your sister, perhaps, but an interesting and somewhat remarkable girl - I to a girl & have a very hard time understanding — whether & have a hard time or not it does not leave my opinion of you in any shape or manner. You will always be to me a very sincere and likeable girl (after you get to know you). & hope you have a wonderful time in your senior year and & truly hope to see you this summer. God bless you always.

Love,
Kathy Mathieu

P.S. always wear a smile Karen, and & know you'll never lack friends.

Alice Pearson

Dear Karen!

You've really gone places this year and it's because of your sweet personality. I hope we can all get together this summer.

Love,
Marcia Kirkpatrick

In Memoriam

Adele Falk lived with a calmness of spirit and a world of other blessings attending on it; a nature so truly noble and serene that it became more conspicuous in times of unhappiness and ill fortune.

In Miss Falk the school lost a superior teacher and a remarkable woman. In her associations at Washington High School she always shared responsibility gladly. In her personal affairs she met difficulty with gallantry and courage. And without awareness of all she was conferring, she gave time, interest, inspiration to many pupils—her rarest gift.

In Tribute

Washington pays tribute to four of its finest prompters whose services have made a lasting impression in the program notes of our school.

The art department lost a worthy member when Miss Amy Beyer resigned. Tonians remember her for those many successful Toppers shows put on under her direction, and for her art supervision of the Yearbook.

German and history were Mr. Arno Froehlich's forte, but many former students remember him even better as the man who directed them to many tennis victories.

History came to life under Miss Evelyn Purdy's fine touch, and the lives of many young men and women were enriched by her wise and kindly counseling.

As senior English teacher, head of the English department, and a member of the graduation committee, Miss Strohm was familiar to many seniors. Few students realize, however, that Washington Players have her to thank for the club's organization and successful start.

We salute these prompters who devoted so many years of their lives to young people and their education.

SUPPORTING CAST:

Though brightly lighted by its stars, it would indeed be an empty and desolate stage without members of the supporting cast. These are the ensembles and choruses who spend so many hours in preparation and work in order that they may furnish a worthy background for the stars of the show. To our sophomores and juniors goes the credit for a well-rounded performance, and a finished production.

These are the people who make it possible for the stars to shine, for the stage to be lighted, for the show to go on. SPECIALTY ACTS:

Without the variety of the Specialty Acts the average show would be drab and lifeless. They offer delightful diversion by bringing variety to what otherwise might be a routine production, and by breaking up the monotony of a set pattern. Washington's varied clubs fulfill this requirement and add a colorful page to our program notes.

Boys' Club

Mr. Earl Haney

The one aim of Boys' Club, fellowship, has attained its true meaning during the past year by drawing the boys of Washington closer together. Under the able direction of Mr. Earl Haney and his well chosen corps of officers, the club has staged some extremely interesting meetings. Among them were a movie on the Milwaukee Braves, a school jazz band, and a style show. During the second semestera Glee Club was organized, which proved very successful. The boys were furnished with coats, slacks, straw hats, and canes. A group of ushers was also organized to maintain proper decorum. Although this club was about to be dropped from Washington's list of activities, it has come back as one of the strongest organizations in the school. As it appears now, Washington's boys can look forward to many more happy and inspirational meetings.

The efficiency of its directors, officers, and members has made the functions of Girls' Club successful. Among its activities were the Arthur Murray dancers, who showed versions of Latin American rhythm, and a glimpse of our own talent in modern dance. Style shows were presented with helpful hints in selecting apparel for school dances. New members were greeted into the club by a special welcoming party.

Opportunities for interested girls were abundant. Service in the nursery at Wood Hospital and in our own various committees earned points for the members. Many hours were given to welfare work in knitting and sewing infants' garments, doing art work, and making scrapbooks and toys. For their contributions the girls received awards. The grand finale was a happy Holly Hop and a special Springtime.

THE SEASON

Washington's 1956 football season had its many exciting games. Although not a championship season, it can be termed a highly successful one.

The 1956 squad got off to a mediocre start by losing two of its first three games. A rout of Custer by a score of 45-0 was the only win during this period. However, as the season progressed, Washington's fortunes turned in the right direction.

Beginning with a 39-19 win over North, our football gridders won four of their last five games. Included in these four victories were a 7-6 homecoming win over East and a 25-14 licking of Juneau.

To climax the "56" season, Rufus King's dynasty of 15 victories and one tie over a period of two years was ended by an 18-14 loss to a highly spirited Purgold team.

The 1956-57 swimming team under Coach Champion had a successful season, winning seven out of thirteen dual meets and taking seconds in the Little City and Big City Meets. The team was hampered by the loss of two January graduates, who were replaced by inexperienced Sophomores. In spite of this the team made a good showing. Allan Robb turned in an excellent performance this year by taking a first, second, and third in the Little City, Big City, and State Meets respectively.

VARSITY BASKETBALL

The 1956-57 basketball season can be termed one of the finest in many years. Our bucketmen finished in a tie with King for second place in the City Conference race behind South. Led by sophomore Ron Glaser the squad displayed fine all-around team play, climaxing the conference season with a 65-64 victory over their previously mentioned rival Rufus King.

All-City laurels went to Ron Glaser who made first squad in one selection and second squad in another; Dick Van Eerden made second squad in both selections.

1956 TRACK

The 1956 track team under the leadership of Coach Ahl had one of Washington's outstanding seasons of recent years. Highlights of the season were the first place finishes in the North Sectional Relays and the City Meet.

In the North Sectionals the broad jump team of Chuck Wolfe, Don Wahlen, and Jim Gehm set a new record with an average distance of 19 feet 7½ inches.

The City Meet was a real pleasure for Washington track fans as they witnessed a well balanced team victory. A total of 18 boys scored points as Washington notched three firsts, five seconds, one tie for second, four thirds, three fourths, and two fifths. The three City Champions were Harry Confare in the high hurdles, Kurt Smrcina in the pole vault, and Ken Springer in the 100 yard dash. Springer tied the City Conference record for the 100 with a time of 10 seconds flat.

In addition to these fine performances, Kurt Smrcina took the Class A pole vault championship in the State Meet in which Washington placed sixth.

1956 BASEBALL

The 1956 baseball team, under Coach Ray Polczynski, finished a fairly successful season with an overall record of fifteen wins and seven defeats. This record earned the Purgold nine a third place finish behind Pulaski and Juneau respectively.

The highlight of the season came when Washington knocked their arch baseball rival, Juneau, out of a share for the city crown in the last game of the season by defeating them 5-0.

In conference statistics the team finished third in batting and second in fielding with percentages of .234 and .935 respectively.

When all-city laurels were announced, Bob Lentz, Don Kraemer, Gary Orten, and Dick Van Eerden won berths on the first 9. Van Eerden was chosen for the second straight year.

GIRLS' ATHLETIC ASSOCIATION

G. A. A. OFFICERS

President . . . . . Beverly Thornburg

Secretary . .. . Susan Simmons

Treasurer . . . . . Judith Lange

Mrs. Miller, Beverly Thornburg, Judith Lange, Susan Simmons.

The sports-minded girl is offered an opportunity not only to observe, but also to participate in competitive sports through Washington's Girls' Athletic Association. Here tennis, bowling, and golf give the individual girl a chance to try her skill. Team sports, such as basketball, softball, and volleyball, teach sportsmanship and team spirit.

Directing G.A.A. this year, in the place of the former director, Miss Joanne Kirk, is Mrs. Carol Miller. Under her guidance, the modern dance club was organized and added to G.A.A.'s many activities. Points are gained by participating in these activities. At the end of each semester, these points are totaled, and the high-point girls honored. As the girls will readily agree, this year has been a very eventful one for G.A.A.

STARS:

The stars are obviously the focal point and spotlighted attraction of the entire production. Their attitude and behavior determine, to a great extent, the success of the show. Our stars of 1957 have demonstrated a development of character and initiative that may well serve as the basic pattern for other classes to follow. We pay tribute to our seniors and wish them happiness and success in their futures.

SCENERY:

It is the scenery that creates the fine points of interest and the over-all impression of the play. Our scenery covers the life and interests of Washington High School. It creates the happy moments, the tense moments, the relaxed moments of the past year. It perpetuates for time to come the memories of these three happy years of our lives.

Karen,
In the beginning of the Morning (this is tues, 1 a.m. 4) I was in a very philosophical mood + I would have to say that all your life you've thought that you lived under Annie's shadow, but that you really are a wonderful girl + woman in his own right. All the luck in the world - Be Good, + I'll see you this summer, but I want to do that.
Mike Klattel

Karen,
I want to wish you all the joys life has to offer, 'cause you certainly deserve them. Since I've known you better, I think you're the greatest. Stay as sweet as you are and you'll always find a friend in me.

Dearest Karen,

Karen it seems that whatever I write will seem trite, and yet you know what I hold in my heart for you - nothing but LOVE!

Many has been the time we've had long talks about our friendship - it is one that is pieced together with every known feeling or emotion. Karen, it has one thing that many don't - a lasting!! You have been my best friend for years and will always be.

Please remember that I love you and will always be praying for you. I know that is sometimes hard to see but then so is my belly-~~button~~ button - when I cover it up!!

There isn't much I can say now except "thanks" - you know how many things I have to thank you for!! Remember "He who loves another tries truely to understand the other"

God Bless You, (and I know he does) Love, (and lots of it)

Jackie

Hi Karen,
It's been fun knowing you this last semester and especially that night I walked you home after that football game.
Denny Nerby "58"

Karen——
Hi——
Best wishes now and forever— Keep smiling— Save your money— Don't worry so much— Have fun— Remember the case of the absent minded nudist who went out with his clothes on— Don't let that happen to you. Wt!
W. Munch

come to me for anything. That is what true friends are for and I hope we will always be friends. I value our friendship highly. Have a nice summer. See you in fall.
C.J. Miller

Dear Karen,

I would like to tell you how very much I enjoyed working with you this past year. It means a lot to know you have someone who you can trust 100%. A person with a fine & pleasing personality, high moral standings, understanding, good common sense, a sense of humor, a sense of perfection & patients rates pretty high in my book. You have all of these qualities. I know you will have success in whatever you do because you work hard at what you do. Words cannot express my deep feelings toward you Karen. I hope you will always feel free to (above)
